Dear Kevin,

I hope you will convey my sincere thanks to the Oklahoma Paint Horse Club and everyone who has been involved in your fundraisers that have benefited St. Jude Children's Research Hospital and Therapeutic Riding.

I really can't say enough about the Oklahoma Paint Horse Club and the example they set for our Association and our Foundation. Your organization is truly outstanding.

The club's donation to our St. Jude fundraiser is always special and we were happy that you came down to personally deliver your club's \$2,000 check this year.

In addition, the generous donation of \$10,000 for the Foundation's Therapeutic Riding Program was the highlight of our Foundation Fundraiser gathering at Workshop '08. It now gives us a tremendous start to getting this worthwhile program underway.

I look forward to working with you as we get our Therapeutic Riding Program organized, and let it be known that the Oklahoma Paint Horse Club was the pioneering organization that helped launch this fantastic initiative that I know will grow rapidly to reach multitudes of people who need it.

Working together, we can improve our world through the Power of Paints. Again, please thank your entire club for their hard work, dedication and most of all, for setting us on a great and noble course for the future.

Sincerely,

Jerry Circelli
Director
